

2021-2022 SLATE

Monmouth County ILO (Inter-League Organization) Board

The ILO Board is made up of a Leadership Team (the presidents of the Local Leagues), a Treasurer, and other members up to an all-inclusive total of 15 members.

Each Local League proposes three members to the ILO Board: two prescribed, one non-prescribed. For each Local League, the two prescribed members are the Local League president and the voter service chair. The third, non-prescribed member is a nominee chosen by that Local League. The current ILO Board proposes a candidate for Treasurer. At the start of the League year, the new Board appoints additional directors as needed to carry out its programs and strategy.
